

Model WM200

(Wall Installation)

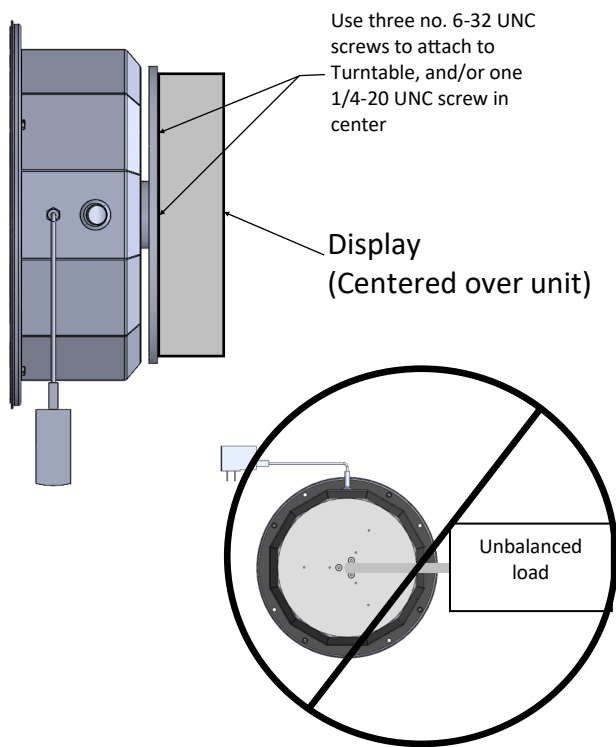

Installation and Maintenance Instructions

Questions? Call 610-266-9600 for help

For ALL installations:

- Display or sign load MUST be balanced and centered on face of unit.
- Do NOT exceed rated capacity of unit.

Display or Sign mounted on Rotator face:

Model:	Max. Display Weight:
WM200	100 lb

- Standard rotation is clockwise. Direction is set at factory.
- Fasten base securely to wall structure using appropriate fastening hardware (not provided).
- CAUTION: Be sure your structure and mounting hardware can handle the weight.
- Display weight MUST be balanced (add a counterweight if needed).
- Unbalanced loads will cause jerking or shaking of the display
- Mount on vertical surface. Do not tilt.
- Not rated for outdoor use.

WARNING! Do NOT hang weight from unit.

Hanging weight will cause unit to come apart and fall.

Maintenance:

No regular maintenance is required for this unit.

Electrical Connections

Questions? Call 610-266-9600 for help

 WARNING	
	Disconnect power before servicing or installing. Do not touch any electrical components while unit is connected to power source.
	Keep hands clear while operating. Read installation and maintenance instructions prior to operation.

Unit without rotating wires/outlet:

- No rotating electrical wires or rotating outlet are available.
- Plug cord into 2.1mm Jack.
- Plug Power Transformer into wall outlet.
- Press Power Switch to begin rotating.

Model:	Motor power draw:
WM200	0.5 A (60 Watts)

Limited Warranty:

The manufacturer warrants the enclosed unit, to the original purchaser only, against factory defects in material and workmanship for twelve months from date of purchase.

Should the unit prove defective or fails to operate properly in use during the warranty period specified above, the manufacturer will repair it or replace it without charge when returned to the factory, freight prepaid, by the original producer. This warranty will be considered void if the product is tampered with, altered, modified, improperly installed or serviced, or damaged through misuse, negligence, or accident. Labor provided by the customer to remove or replace the unit is not covered under this warranty. Warranty covers parts replacement only.

When the warranty is not applicable, the customer will be charged for the cost of repair plus shipping charges. Items damaged in shipping must be returned to the factory in its original container.

The manufacturer shall in no event be liable for inconvenience, or for incidental, consequential, contingent, or any other damages. This warranty is made in lieu of any other express warranty, and, except for the foregoing warranty, which is exclusive, there is no other warranty being made.
